Non competitors are not allowed to be in the boat with contestants except in the event of an emergency (rescue, mechanical breakdown, etc.). GPS waypoints may not be provided to contestants by anyone except other contestants. Contestants may not follow a non competitor’s boat or participate in the practice of “hole sitting” or the placing of markers by anyone.

The purchasing or bartering for information or the hiring of services is not permitted after the start of the official practice period.

The use of mobile communication devices, including, but not limited to cellular phones, marine radios, two-way radios, CB’s, etc., during tournament hours is strictly prohibited except in an emergency (severe weather, etc.).

Safety

Safe boating must be observed at all times. Contestants must observe “no wake” areas including posted bridges and other areas identified by the Tournament Director. Each contestant is required to wear a fastened, U.S. Coast Guard approved, personal flotation device at all times when the combustion engine is in operation, during official practice days and during the tournament days. All boats must be equipped with an emergency ignition shut off device that must be securely attached to the driver’s body whenever the combustion engine is in operation. At the discretion of the Tournament Director, tournament days may be shortened, postponed or canceled due to unsafe weather or water conditions.

Sportsmanship

All contestants are required to follow high standards of sportsmanship, courtesy, and conservation and to conduct themselves in a manner that will be a credit to themselves, their event sponsors, and the sport of fishing. Examples of conduct not complying with those standards include, but are not limited to, the following: Violation of or failure to comply with any of the official rules for the Tournament. Consumption and/or possession of any alcoholic beverages or any kind of mind altering substance during registration, the pre-tournament meeting or during tournament hours extending through the weigh-in are strictly prohibited. In other words, conduct or actions reflecting unfavorably upon efforts to promote safety, sportsmanship, fair competition and compliance with tournament rules, or which fail to comply with the standards set forth in this paragraph.

Each boat must have a clearly legible “Maximum Capacities” placard that includes a maximum horsepower rating affixed to the boat by the manufacturer. The horsepower of the outboard engine must not exceed the maximum horsepower capacity specified on the boat placard. By

registering for the Tournament, each contestant agrees to submit his or her boat and/or motor to an inspection by the Tournament Director.

Falsifying information on entry forms or altering the horsepower numbers on the motor or "Maximum Capacities" placard will be cause for disqualification from the Tournament and may result in ineligibility to compete in future events.

Fishing platforms must be factory-installed equipment. No portable platforms may be used in Tournament competition.

Fuel may be carried only in factory installed (built-in) fuel tanks. Any additional fuel used during the tournament day must be purchased from a retail facility open to the public.

Permitted Fishing Methods

All bass must be caught alive in a conventional sporting manner.

All bass must be hooked inside the mouth.

Only artificial lures may be used with the exception of pork rinds.

Only one fishing rod per angler may be used at a time.

Trolling, defined as moving the bait with the assistance of the combustion engine, as a method of fishing is not allowed.

Permitted Fishing Locations

Contestant's may fish anywhere on tournament waters within the boundaries of tournament waters available to the public and accessible by boat, except areas designated as "Off-Limits", "No Fishing", "No Boats", "Boats Keep Out", etc. by local, state or federal officials. Contestants are prohibited from casting into these areas or having their boat in these areas at any time.

Contestant's may not fish within 50 yards of a competitor's boat that was first anchored (an anchored boat is a boat held in a stable position by a line attached to a weight or a Power Pole anchor with the trolling motor in the up position).

At no time may a contestant leave the boat to land a fish or make the boat more accessible to fishing waters.

Contestants must leave and return to the official checkpoint by boat.

The boat must remain in the tournament waters during the tournament day.

No tournament boat may be loaded on the trailer before weigh-in except with the permission of the Tournament Director.

In the event of equipment failure or emergency, there will be only two permitted methods of returning to the official checkpoint:

By both team members remaining in their boat and being towed by water, or by one or both team members are entering the boat of another tournament contestant.

Under these two conditions the teams catch may be counted without a penalty (except for late penalties, fish care penalties or other penalties pertaining to other tournament rules).

Contestants who elect to return to the official checkpoint by any other means than cited above will forfeit their day's catch to that point in time in the tournament day. Any contestant returning to the checkpoint will be eligible to restart and resume competition under the supervision of the Tournament Director or his designated Tournament Official. It is the sole responsibility of contestants to locate the Tournament Director to request a restart.

Official Checkpoints

There will be only one official checkpoint for boat check-in in the morning and one official check-in point in the afternoon. Failure to go through boat checkout in the morning or failure to check-in at the official checkpoint in the afternoon will result in losing credit for that day's catch. All competitors and their boats must be in full compliance with tournament rules before they can depart from the official checkpoint in the morning.

Live Fish

Every effort must be made to keep bass alive through the use of a properly aerated livewell. The use of livewell additives is encouraged to promote the healthy return of bass to their natural habitat. Bass must be alive to be weighed-in; **no dead fish will be accepted at weigh-ins**

Ties

Ties for each hourly session prizes will be combined and split equally.

Teams that Ties for the overall big fish award will have the opportunity to decide if they would like to have a one (1) hour fish-Off or to split the grand prize equally

(All Teams involved will have 15 minutes to make that decision. If a decision can't be made awards will be split equally. If teams are still tied after one (1) hour fish-off awards will be split equally.
